HAZEL HOUSE
HOLISTIC HEALING

**Are you looking for a different
kind of therapy experience?**

**Tired of talking about the same
old stories & repeating the same
old patterns?**

**Want to discover what's been
keeping you stuck?**

**Sand tray is an experiential
therapeutic modality, which
uses figurines in sand, to help
you bring unconscious beliefs,
emotions, and associations into
consciousness, where they can
be processed and utilized to
resolve conflicts and overcome
obstacles.**
